All Community Education Programs (all programs listed excepting the LPN program) also require a \$20 Administrative fee. Some other programs have prerequisites which involve fees (such as criminal reports and physical examinations) which are also not listed.

*Completion Rates are calculated using students who were registered and owed in full for classes. Students are considered to have completed the program as long as they receive their certification or degree within 150% of the published length of time required for the program. (U.S. Department of Education/Federal Student Aid Gainful Employment Operations Manual, Pg. 21 Fewer than 10 students completed the program and therefore no reporting is required.)

**Placement Rate Calculation Rules concerning Gainful Employment have not yet been agreed upon. Colleges are required to report whatever placement rates (if any) that they are required to report to their Board of Accreditation or their state. RACC's Board of Accreditation does not require these statistics, neither does the state of Pennsylvania; thus RACC is not required to report anything at this time. (U.S. Department of Education/Federal Student Aid Gainful Employment Operations Manual, Pg. 27)

***Title IV Loans the amounts shown are the mean average RACC students borrowed during pursuit of certification in the specific program listed. (U.S. Department of Education/Federal Aid Gainful Employment Operations Manual. Pg. 28 Fewer than 10 students completed the program and therefore no reporting is required.)
