

READING AREA
COMMUNITY COLLEGE

Fifty-Second Annual Commencement

Friday, May 3, 2024

Two o'clock in the afternoon

Santander Arena

Commencement is a dignified occasion. In the best tradition of Reading Area Community College, we expect those attending the ceremony to conduct themselves in an appropriate manner. Cell phones and devices should be turned off at the beginning of the commencement activities and should remain turned off. The college community appreciates your cooperation in maintaining the dignity of this occasion.

F R O M T H E P R E S I D E N T

Dear Graduates,

Congratulations! Pause and look around you and absorb this moment. Think about where you have been; think of all that you have been through, the time, the hard work and the success that has brought you to this place today.

Think of those who have assisted you in this academic journey. Think of your family, significant others, parents, grandparents, children and close friends. Think of your Reading Area Community College family; teachers, advisors, friends and fellow students as you smile at the memories and conversations. Think about those private moments which will be recalled years from now.

You have arrived at a wonderful, life-changing moment. As part of RACC's fifty-second graduating class, we ask you to celebrate it! Congratulations to you, a graduate of the Class of 2024. From this moment on, we will continue to be **#RACCPROUD** of you!

All the Best,

Susan D. Looney, J.D., Ed.D.
President
Reading Area Community College

O R D E R O F E X E R C I S E S
M A Y 3 , 2 0 2 4 A T 2 : 0 0 P M

Grand Marshal
Dr. Lucia Torchia-Thompson
Professor Social Science/ Human Services Division

The audience is requested to rise for the National Anthem.

National Anthem

Introduction	Dr. Susan D. Looney <i>President</i>

S T U D E N T S P E A K E R

Mara Nagle is graduating in the Honors Program at RACC with an Associate's Degree in Business Administration. Throughout her career at RACC, she has become a member of Phi Theta Kappa, has served as the secretary of the Drama Club, coordinating logistics, and has performed in the first two musicals the college has ever had: as Frau Blucher in *Young Frankenstein* and Bea in *Something Rotten*. When she is not wearing eight costumes and five wigs, Mara is working in a finance department or a library, volunteering at her church, or sending emails. Mara also enjoys game nights, bonfires, reading, and rom coms.

Mara was selected for a Presidential Scholarship in 2022, and was chosen as the Sonia Briskin Honors Scholar in 2024. The Sonia Briskin Award is given to one student each year who has demonstrated both high academic achievement and exemplary service to the RACC community.

Mara will be continuing her education at Albright College to pursue her Bachelor's in Arts Administration and Business Administration. She plans to work at theater or gallery to further her career in the arts after earning her degree.

2 0 2 4 P R E S I D E N T ' S A W A R D

In his first educational journey outside of his native Philadelphia area, Jerome Marcus was assigned to the Reading Hospital while a junior at Temple's medical school. He enjoyed the experience of working at the Reading Hospital so much that he moved to Reading after medical school and did post-graduate training in clinical pathology at the Reading Hospital and the Hershey Medical Center. In 1983, Jerry started a new laboratory company in Berks County, Omega Medical Laboratories.

Omega was among the first healthcare organizations in Pennsylvania to provide low-cost anonymous HIV testing during the height of the AIDS epidemic. Jerry was one of thirteen physicians in the state to volunteer to give talks on AIDS at schools, companies, and community groups for the Pennsylvania Medical Society's AIDS speakers' bureau. Omega was named Small Business of the Year in 1986 by the Berks Chamber of Commerce and eventually grew to employ over three hundred people and perform millions of laboratory tests on 750,000 patients, winning the Large Business of the Year award. The company had over forty locations where patients could go for specimen collection, and a fleet of more than fifty cars which traveled more than two million miles per year to pick up specimens and deliver reports and supplies.

Jerry has been involved with various local organizations, including such non-profits as the Berks County Medical Society (past president), the Vegetarian Resource Group (Baltimore, MD) and the Antique Auto Club of America Museum (Hershey, PA). He also serves on one corporate board and has been adjunct faculty in the department of Clinical Pathology at the Milton S. Hershey Medical Center.

Jerry has been a vital long-time supporter of Reading Area Community College, serving on the Foundation for RACC for example. In addition, he has served for many years as the Medical Director for the medical laboratory program, providing leadership and mentorship for aspiring health care professionals in this critical area. He also played a key role in modernizing and updating laboratory facilities at RACC, endowing chemistry and physics lab spaces. Most recently, Jerry donated funds to begin a program to help provide food for students in need, which led to RACC's food pantry.

FACULTY EMERITA

JANINE TIFFANY

WHEREAS, Janine Tiffany served Reading Area Community College as a full-time Business Division faculty member for twenty-eight years where she developed and taught Information Technology courses across all modalities and facilitated onboarding of adjunct instructors; and

WHEREAS, Janine Tiffany developed and designed the curriculum for the Computer Information Systems and Computer Technology programs; and served as coordinator and advisor for Computer Technology and Computer Information System students; and

WHEREAS, Janine Tiffany served the College on several governance and operational committees, including as chair of College Council; and also, on a committee to evaluate and redesign the governance system; and

WHEREAS, Janine Tiffany served twice on the Middle States Commission of Higher Education self-study committee; and

WHEREAS, Janine Tiffany served as treasurer and secretary of the Computer Consortium for Community Colleges; and represented Reading Area Community College with the Pennsylvania Distance Learning Association; and

WHEREAS, Janine Tiffany inspired colleagues and students with her tireless dedication to quality instruction for future computer professionals;

NOW, THEREFORE, BE IT RESOLVED, that Janine Tiffany is granted Associate Professor Emerita status, effective May 3, 2024.

Membership in the Phi Theta Kappa International Honor Society is based on academic achievement. All students with a GPA of 3.6 and 12 credits of associate degree coursework earned at RACC are invited to join the Alpha Sigma Rho Chapter. Members must maintain a GPA of 3.5. In addition to recognition for scholastic excellence, the Society offers opportunities for Scholarship, Leadership, Fellowship and Service at the local, regional and national levels.

SIGNIFICANCE OF ACADEMIC ATTIRE

The history of academic attire dates far back into the days of the oldest universities. While European institutions continue to use great diversity in their specifications of academic dress, most American colleges and universities have adopted the academic dress standards of the Intercollegiate Bureau of Academic Costume.

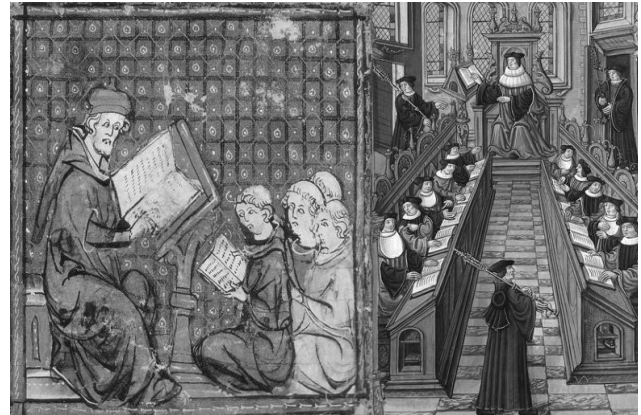

Gowns: The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has oblong sleeves and may be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves and may be worn open or closed.

Gown Trimmings: There are no approved trimmings for the bachelor's or master's gown. The doctor's degree gown is faced down the front with black velvet with bars of velvet across the sleeves.

Stoles of Gratitude: The red Stoles of Gratitude, worn by each graduate, are a gift from the Student Government Association. These stoles may be used as gifts of gratitude for someone who has made a difference in the students' time at RACC and helped them achieve graduation. Some graduates may have chosen to write a personal note on it to present to someone, or keep it for themselves as a memento of their hard work at RACC.

Tribute Stole: The Tribute Stole is to recognize and honor those men and women who have served our country. The Tribute stole will be worn at graduation to honor those that have served.

First Generation Stole: These white stoles recognize those who are the first in their family to graduate from college. It is a symbol of hope for future generations and a celebration of perseverance of first-generation students.

Color of Hoods: The colors associated with the different subject areas are as follows:

Maize	Agriculture
White	Arts, Letters, Humanities
Drab	Commerce, Business, Accountancy
Lilac.....	Dentistry
Copper	Economics
Light Blue	Education
Orange.....	Engineering
Brown.....	Fine Arts, Architecture
Russet.....	Forestry
Crimson.....	Journalism
Purple.....	Law
Lemon.....	Library Science
Green	Medicine
Pink.....	Music
Apricot	Nursing
Silver Gray	Oratory (Speech)
Olive Green	Pharmacy
Dark Blue.....	Philosophy
Sage Green.....	Physical Education
Peacock Blue	Public Administration, Foreign Service
Golden Yellow	Science
Citron	Social Work
Scarlet	Theology
Gray	Veterinary Science

The Mace

The mace was initially modeled after a war club, useful objects for 12th-century officers whose main task was keeping order. A formidable weapon, the Mace was held ready to protect the person of the dignitary. Since the 16th-century in England and since colonial days in America, it has become a symbol of office only and is carried by a distinguished member of a faculty. The Reading Area Community College Mace is a fine piece of Eastern Pennsylvania black walnut grown in Berks County. It was turned on the lathes in the Department of the Physical Plant by former College employee, James Diener.

Presidential Medallion

The Reading Area Community College seal utilizes the Yocum Library as the central element because of its significance as the first original building constructed for the campus. The Yocum Library also serves as a focal point along the Schuylkill River and as a landmark entering the City of Reading. The Penn Street Bridge incorporates the physicality of Reading Area Community College and also symbolically represents the avenue of success and transition provided by higher education. The medallion was crafted by Peter Hoffman, an instructor in the computerized machine tool technology program at the Berks Career & Technology Center - West.

Presidential Chair

The first Presidential Chair was presented to Dr. Richard A. Kratz, fourth president of Reading Area Community College, on October 13, 2003 at his installation ceremony. The chair is used as the official seating for the President at all College ceremonies.

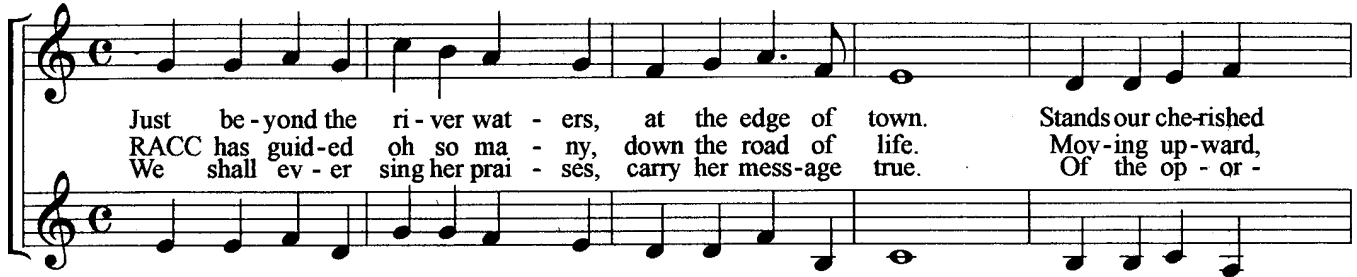

**The Reading Area Community College Graduating Class of 2024
wishes to extend a heartfelt thank you to their families, friends,
faculty and staff who have nurtured, supported, and provided many
intellectual challenges, and who also have given unselfishly of themselves
in order that all of us could realize our dream of attaining this college degree!**
