HISTOTECHNICIAN PROGRAM

Estimated 2021-22 HT Program Costs

RACC charges a flat rate for full time students. A full-time student is registered for 12 – 18 credits. Students registered for less than 12 credits are charged by the credit. The following figures are an estimate and will vary depending on individual circumstances.

| Tuition includes fees | Berks County Resident | Out of County Resident |
|--|-----------------------|------------------------|
| Full-time Tuition (12 – 18 credits) per semester | \$2955 | \$5085 |
| Part-time Tuition (1 – 11 credits) per semester | \$197/credit | \$339/credit |

Additional Expenses*

In addition to the standard tuition and administrative fees, there are additional costs for students in the Histotechnician Program:

| | |
|---|---------------|
| HT Program Lab Fees (\$405/course in second year) | \$2025 |
| Online Services: Clinical Document Compliance | \$111 |
| Liability Insurance (\$23/AY year) | \$46 |
| Books | \$500 |
| Background Clearances | \$40 |
| Drug Screen | \$39 |
| Health Screening (Physical Exam/Immunizations) | varies |
| Graduation Pin | \$25 -\$81 |
| ASCP BOC Exam registration | \$215 |
| Estimated Total | \$3001 |

*Medical Records Packet requirements (such as physical exam, vaccinations, and titers) are dependent on health care insurance coverage and not listed in additional costs. Students must be enrolled in a health care insurance plan during the clinical semesters.

Estimated rates are as of March 2022– subject to change
