

**Reading Area Community College
Histotechnician Program**

Program Outcome Measures as defined by NAACLS* Standards

HT Program Board of Certification (BOC) Examination Data:

Graduation Year	Total # of Graduates	# Graduates who took the BOC exam within the first year	# Graduates who passed the BOC exam within the first year	Yearly Pass Rate Percentage
2024	4	1	1	100%
2023*	2	2	2	100%
Certification Pass Rate Percentage				100%
NAACLS Benchmark: At least 75% pass rate on the BOC exam for those who take the exam within the first year of graduation calculated by the most recent three-year period.				

HT Program Graduation/Attrition Rates:

Graduation Year	Number of students beginning final half of program*	Number of Program Graduates	Attrition Rate	Graduation Rate
2024	5	4	20%	80%
2023*	6	2 ⁺	50%	40%
Graduation Rate Percentage				60%
NAACLS Benchmark: An average of at least 70% of students who have begun the final half of the program, go on to successfully graduate as calculated by the most recent three-year period.				

*The final half of the program is defined as “students accepted after the selective admission process”

* One student remained in the program

HT Program Graduate Placement Rates:

Graduation Year	Total # of Graduates	# of graduates who found employment in the field or closely related field and/or pursued higher education within one year	# of students not employed or enrolled in higher education within one year	Yearly Average Placement Rate for graduates within the first year after graduation
2024	4	4	0	100%
2023*	2	2	0	100%
Graduate Placement Rate Percentage				100%
NAACLS Benchmark: An average of at least 70% of graduates either find employment in the field or closely related field or continue education within one year of graduation as calculated by the most recent three-year period.				

*First graduating class for this new program
