Start earning transferrable college credits - in your high school classrooms - through Reading Area Community College's dual enrollment program. Cost \$99 a credit.

How do you enroll in your high school's dual enrollment program? Follow these four steps.

1. Digital Form:

Apply - online at RACC's Dual Enrollment website: racc.edu/DE

Don't skip this step if you are brand new to the Dual Enrollment program! You need to apply to the college so RACC can create a student record and register you for your courses. If you took dual enrollment courses in a previous year, you already have a record; thus, you can skip this step.

2. Paper Forms:

Detach - the *Registration for Dual Enrollment/Disclosure of Information (FERPA)* waiver forms from the folder. Complete the *Registration for Dual Enrollment* by using the RACC Section numbers listed on the other side of this document. (See Note Below)

3. Complete - the *Disclosure of Information (FERPA)* waiver form on the reverse side of the Registration for Dual Enrollment form.

4. Obtain - all required signatures on both forms, and return the forms to your guidance office. *Your school counselor and your parent/guardian will need to sign the course registration form and you will need to sign both the FERPA waiver and course registration forms.*

NOTE: RACC Dual Enrollment section numbers designate several things;

For example: BIO 150-1501

BIO 155-3501

BIO says this is a biology course;

BIO says this is a biology course;

150 says this is Biology I;

155 says this is Biology II;

1501 says this is a fall course attached to a specific teacher.

3501 says this is a spring course attached to a specific teacher.

It is important that you use the correct section number.

How do you pay your bill?
