## **Special Advising Notes:**

#### Selective Admissions:

Entrance to the RN Clinical coursework is selective and determined by meeting the minimum nursing prerequisites and clinical application point system. Students are not eligible to submit a clinical application until the appropriate items and courses in section 1a & 1b of this check sheet are completed. Once these minimum pre-requisites are complete, students are eligible to submit their clinical application for admission to the Nursing Program. Clinical Applications are due in December however, can be submitted at any time once the students' appropriate nursing pre-requisites are complete. Applications can be obtained and submitted in the Welcome Center B001. If application is submitted after the posted deadline, the application will be deferred to the following year for review. Please refer to the posted deadline date available online at: <a href="http://www.racc.edu/Admissions/Enrollment/rn">http://www.racc.edu/Admissions/Enrollment/rn</a> program.aspx

The general education courses listed in SECTION 2 of this worksheet (except ORI103) will build your application points. Please refer to the **RN Clinical Application Point Worksheet**.

Due to the selectivity of this program, the importance of course sequencing and the priority deadlines, it is **strongly encouraged** that you meet **regularly** with your faculty advisor or any advisor located in B209.

*Important Note:* Section 4 of this check sheet is **NOT REQUIRED** for RN Students. However, students do have the available option of completing this additional degree option. Please see an advisor for more details.

### Advising Assistance:

You can locate your faculty advisor by logging into Webadvisor  $\dots \rightarrow$  Students  $\rightarrow$  Advisor Office Hours. This will provide you with your faculty advisors' name and contact information. You can also visit the Advising Center in B209 for assistance.

#### Advanced Placement for LPN Students:

This is an option available to students who are currently licensed practical nurses, and who has been in practice for at least 6 months. Students should contact Geraldine Fake, at 610-372-4721 ext. 5422 for more information.

### Transfer Advising:

There are many different 4 year colleges that offer an RN-BSN completion program. Listed below, you will find local RN-BSN Completion Programs. For more information, please contact Jane Dietrich, transfer specialist in B209 or at 610-607-6245.
