*Sections of these courses offered in the Honors Program, check <https://www.racc.edu/academics/honors-program>
Online (OL) may not be offered every semester. Please check the schedule.

The Business Management Certificate Program is designed to develop the skills necessary to implement and monitor effective business management practice. The knowledge gained from these courses will be helpful in entry-level management and management trainee positions. Coursework may later be applied to an Associate in Applied Science degree if the student desires.
