Special Advising Notes:

Selective Admissions:

Entrance to the RN Clinical coursework is selective and determined by meeting the minimum nursing prerequisites and clinical application point system. Students must meet the minimum prerequisites as outlined in section 1a & 1b before submitting a clinical nursing petition.

Clinical petitions are due December 30 each year. Petitions can be obtained and submitted in the Welcome Center B001. If your petition is submitted after the posted deadline, the petition will not be accepted. Please refer to the posted deadline date available online at: <u>https://www.racc.edu/admissions</u>

The general education courses listed in **SECTION 2** of this worksheet will contribute to your petition points. Please refer to the **RN Clinical Application Point Worksheet**.

Due to the selectivity of this program, the importance of course sequencing and the priority deadlines, it is **<u>strongly</u> <u>encouraged</u>** that you meet <u>**regularly**</u> with your advisor located in B209.

Important Note: Section 4 of this check sheet is **NOT REQUIRED** for RN Students. However, students do have the available option of completing this additional degree option. Please see an advisor for more details.

Advising Assistance:

You can locate your faculty advisor by logging into Webadvisor $\dots \rightarrow$ Students \rightarrow Advisor Office Hours. This will provide you with your faculty advisors' name and contact information. You can also visit the Advising Center in B209 for assistance.

Advanced Placement for LPN Students:

This is an option available to students who are currently licensed practical nurses, and who have been in practice for at least 6 months. Students should contact Geraldine Fake, at 610-372-4721 ext. 5420 for more information.

Transfer Advising:

There are many different 4 year colleges that offer an RN-BSN completion program. Listed below, you will find local RN-BSN Completion Programs. For more information, please contact Jane Dietrich, transfer specialist in B209 or at 610-607-6245.
