

Veterans

Joint Service Transcripts

Welcome to Reading Area Community College from the Records Office:

If you are an incoming student who is a veteran or active member of the military please use this information to assist you in possibly earning college credits for your Military training.

The military has a document available that tracks all of your training called a **Joint Services Transcript (JST)**. To have an official transcript sent to the college or university of your choice go to the Joint Services Transcript site and register for a JST account at <https://jst.doded.mil/official.html> . All requested transcripts should be mailed to the Admissions Office of Reading Area Community College.

After applying to Reading Area Community College and upon the receipt of your individual Joint Services Transcript in the Admissions Office, an evaluation of your training will be completed. If an award of credit is possible, transfer credit will be posted to your record. You will receive a letter from the Assessment Office explaining how your Military training was recognized by this institution.

Any questions can be directed to: Records Office - 610-607-6243
