

Fee	Assigned Courses	Definition/Purpose of Fee	Expected allocation / use	How will the fee be collected	Amount Collected	Academic Year, Term or Section Fee will be Charged
Science Lab Fee	BIO-120, BIO-130, BIO-140, BIO-150, BIO-155, BIO-250, BIO-255, BIO-260, BIO-280, CHE-120, CHE-150, CHE-155, CHE-250, CHE-255, CHE-270, PHY-120, PHY-240, PHY-245, PHY-250, PHY-255	A fee will be charged for selected science classes in the Science/Math Division. Note: Online class sections are excluded from this fee. Purchase of a lab kit from the bookstore may be required.	This fee is to cover the cost of the lab materials and supplies required for the course.	Student's account	\$200 per section (in person sections)	Charge attached to the listed sections for in person STEM classes.
ATI Assessment Fee (NUR)	NUR-100, NUR-101, NUR-150, NUR-151, NUR-200, NUR-203, NUR-250, NUR-251, NUR-253, PNP-101, PNP-102, PNP-103	This fee provides students with the necessary resources and support to prepare for the NCLEX examination.	This fee covers the cost for the ATI Assessment software.	Student's account	\$885 per section	Charged every semester and attached to listed sections.
ATI Assessment Fee (PNP)	PNP-101, PNP-102, PNP-103	This fee provides students with the necessary resources and support to prepare for the NCLEX examination.	This fee covers the cost for the ATI Assessment software.	Student's account	\$ 759 per section	Charged every semester and attached to listed sections.
Health Profession Program Fee	NUR-100, NUR-150, NUR-200, NUR-250, NUR-101, NUR-103, NUR-151, NUR-201, NUR-203, NUR-251, NUR-253, PNP-101, PNP-102, PNP-103, RES-150, RES-212, RES-200, RES-227, RES-237, RES-232, RES-255, RES-265, MLT-110, MLT-120, MLT-211, MLT-222, MLT-233, MLT-220, MLT-221, MLT-230, MLT-231, HTT-150, HTT-250, HTT-275	Due to the higher costs associated with health professions programs, an additional fee is charged for NUR, PNP, RES, MLT, and HT courses.	This fee is used to cover the additional costs associated with Health Professions Programs.	Student's account	\$100 per credit hour	Charged based on credit hour of the listed sections.
SIM EMR – KBPort Lab Fee	NUR-100, NUR-200, NUR-101, NUR-203, PNP-101	SimEMR is an interactive, web-based simulated electronic medical record (EMR) system that allows students to practice electronic charting in a hospital-like environment. It brings real-world clinical documentation into the classroom and simulation lab, helping nursing students build essential skills for today's healthcare settings.	This fee covers the cost for the SIM EMR software.	Student's account	\$110 annually	Annual charge attached to the listed section.
Malpractice Insurance Fee	NUR-100, NUR-200, NUR-101, NUR-203, PNP-101, PNP-103, RES-150, RES-255, PSG-105, MLT-110, MLT-211, HTT-110, HTT-250	This fee provides one year of insurance coverage for Health Professions students, effective from the time of payment. The premium is assessed during the registration process in the Business Office and is determined annually by the insurance carrier. Coverage ends if the student withdraws from the program.	This fee is used to payment of the Malpractice Insurance students are required to maintain while enrolled in a Health Professions Program of study.	Student's account	\$23 annually	Annual charge attached to the listed section.
Exam Soft On-Line Testing Fee	NUR-100, NUR-150, NUR-200, NUR-250, NUR-101, NUR-151, NUR-201, NUR-203, NUR-251, NUR-253, PNP-101, PNP-102, PNP-103, RES-150, RES-227, RES-255, RES-265, PSG-100	Prepare students for successful careers in the health sciences. This platform helps familiarize students with board exam environments such as the NPTE exam, supporting improved pass rates and overall readiness. It streamlines exam creation, data management, and analysis, giving faculty a comprehensive view of student performance through detailed reports and reviews. Multiple assessment types—such as essays, presentations, and clinical evaluations—can be utilized to measure progress. The system also tracks learning objectives aligned with licensure bodies, such as the Pennsylvania State Board of Nursing.	This fee covers the cost for the SIM EMR software.	Student's account	\$45.00	Charged each semester attached to the listed sections.
Document Compliance Fee	NUR-100, NUR-101, PNP-101, RES-150, PSG-100, MLT-110, HTT-110	This fee covers the cost of required record keeping for students enrolled in Health Professions programs.	This fee covers the cost to maintain the electronic records of students enrolled in a Health Professions Program of student for the sections listed.	Student's account	\$150, a one time program fee	A one-time charge attached to the listed section.
Nurse Pack Fee	NUR-100, NUR-101, PNP-101	A lab tote fee covers the cost of a kit that includes a durable bag and a set of basic, non-human-use supplies. This kit is provided to health professions students to support skill development and practice in lab or simulation settings, allowing them to perform a variety of procedures ranging from fundamental to advanced.	This fee covers the cost for the Nurse Pack provided to the student.	Student's account	\$214.5, a one time program fee	A one-time charge attached to the listed section.

Credentialing Preparation Resource Fee	RES-255	Providing students with access to a credentialing preparation resource offers structured, exam-specific preparation that directly aligns with NBRC board content outlines. The program reinforces key respiratory care concepts through targeted lectures, practice exams, and performance analytics, helping students identify weak areas and improve test-taking strategies. This evidence-based resource enhances readiness, boosts confidence, and increases overall credentialing success rates.	This fee covers the cost for the exam prep for Respiratory Care.	Student's account	\$425, a one time program fee	A one-time charge attached to the listed section.
Trajecsys Fee	RES-150, PSG-105	This fee provides students with access to Trajecsys, a system used to log and track clinical attendance, evaluate student competencies within the program, and maintain required records.	This fee covers the cost for the Trajecsys software.	Student's account	\$214, a one time program fee	A one time charged attached to the listed sections.
Lab Tote Fee	RES-150	A lab tote fee covers the cost of a kit that includes a durable bag and a set of basic, non-human-use supplies. This kit is provided to health professions students to support skill development and practice in lab or simulation settings, allowing them to perform a variety of procedures ranging from fundamental to advanced.	This fee covers the cost for the Respiratory Care lab materials provided to the student.	Student's account	\$150, a one time program fee	A one-time charge attached to the listed section.
Program Lab Fee	PSG-103 \$490, PSG-104 \$250	Due to the higher costs associated with health professions programs, an additional fee is charged for PSG courses.	This fee covers the additional costs associated with the Polysomnography Program	Student's account	Fee charge for the following sections: PSG-103 \$490, PSG-104 \$250	Charged based on enrollment in the section listed.
